**SITE INSPECTION NOTE OF Sri M. RAVI PRASAD, Dy.C.F.,
(FAC) DISTRICT FOREST OFFICER, RAJANNA SIRCILLA & KARIMNAGAR**

It is submitted that, the proposals of diversion of 9.9985 Ha revised as 10.841 Ha. Forest Land for formation of road from Manala to Marrimadla Road from Km 1/0 to 9/0 & Improvements to Mendora crossing to Rudrangi Via Manala road from Km 29/7 to 30/5 in Rajanna Siricilla district have been verified with reference to the FC Act, 1980 guidelines in detail in favour of Superintending Engineer (R&B) Circle, Karimnagar.

It is submitted that, the site inspection was conducted on 18.09.2021 and the proposed diversion area is falling in Compt.No. 82, 88 of Ahmed Hussainpally Beat and Compt.No. 102, 103 & 104 of Marrimadla North Beat of Marrimadla Section of Chandurthi Mallial Range of Rajanna Sircilla District.

It is observed that, the proposed road passing in Bheemgal Reserve Forest Block which is dense miscellaneous mixed forest with canopy density of below 0.4. and the prominent species are *Tectona grandis*, *Chloraoxylon seweitenia*, *Terminalia tomentosa*, *Buchanania lanzan*, *Legostromia parviflora*, *Boswellia serrata*, *Lannea coromandelica*, *Madhuca indica* etc.,. The total exact area required for the proposals is 10.841 Ha (Length 77435.55 mtrs, X width. 14.00 Mtrs).

Further, it is submitted that, the User Agency has the identify the 10.861 Ha instead of 10.841 Ha Non-Forest land in Sy.No. 116/1/3 and 117/1/2 (10.238 Ha and 0.623 Ha respectively) of Kondapur Village of Konaraopet Mandal in Rajanna Sircilla District, the identify land is hilly and covered with miscellaneous vegetation and it is observed that the site quality is poor and there are no adverse impact on adjoining flora.

In view of the above, may be recommended to take up for carrying out Compensatory Afforestation by adopting Barren Hill Afforestation planting technique (250Nos per Ha) and remaining planting points may be taken up in Degraded Forest Land under Semi Mechanical Method.

Further, it is observed that, there is 1182 Nos trees in proposed diversion forest area. The density of the forest area is less than 0.4. The proposed site is not falling in National Park, Wildlife sanctuaries.

DISTRICT FOREST OFFICER,
RAJANNA SIRICILLA&KARIMNAGAR
