

**Specific recommendation of the Deputy Director, Mudumalai Tiger Reserve,
Udhagamandalam**

This proposal is scrutinized with the existing directives of Hon'ble Supreme Court of India and provisions of Forest (Conservation) Act, 1980. Since necessary right of way is admitted and no felling of trees is involved, recommendation is made for this proposal subject to following conditions.

1. A refundable caution deposit of Rs.2000 (Rupees Two Thousand only) per km in the form of a bank guarantee in favour of the Deputy Director may be collected from the user agency so as to ensure compliance of all conditions in this permission accorded.
2. The project should be completed within a period of six months.
3. No breaking of fresh land should be carried out other than the permission sought for.
4. No chemicals / explosives should be used.
5. Unwanted materials should not be dumped inside the reserve.
6. The road should be made good / restored to its natural position after the work is over.
7. Adequate precautions should be taken to avoid any damage to flora and fauna and should take sole responsibility for any loss in this regard.
8. The work should be carried out only from 8.00 AM to 6.00 PM and well informed to the concerned Forest Range Officer in this regard to the daily commencement, progress and completion of the work.
9. Existing ban orders issued by the appropriate authority will be applicable.
10. Movement of wildlife should not be disturbed.
11. No materials should be collected from the forest area
12. No labour camp/cooking is allowed inside the reserve
13. Any other condition that may be imposed from time to time for the Protection of improvement to flora and fauna in the forest area shall be applicable.
14. Monthly report of compliance of the conditions stipulated should be furnished to the Deputy Director.
15. 5 % of the cost of the Project, Proportionate to the distance located within the PA shall be remitted by the user agency in Mudumalai Tiger Conservation Foundation for habitat Improvement and wildlife Conservation in the reserve area.
16. Since tiger reserve is used by user agency, they shall provide free data connection to tiger reserve management for the cause of conservation and protection of tigers through electronics surveillance in the form of setup box without any structural / tower component, to the Range Officer, Reception centres and Division Head quarters.
