 - a) Total No. of trees to be felled :- NIL (Nil report enclosed).
 - b) Effect of removal on the general ecosystem of the area :- Minimum effect on local bio – diversity.
 - c) Important species :- NIL
 - d) No. of trees to be felled below 60 cm girth :- NIL
 - e) No. of trees to be felled above 60 cm girth :- NIL

P.T.O

7. Back ground note on the proposal. :- The construction of Bharat Petroleum Corporation Ltd.(BPCL) Retail outlet dealership (Petrol Pump) at Tippi is strategically important as proposed area is located at Tippi along the Balipara – Charduar –Tawang (BCT) road. It's a gateway of three important District i.e West Kameng Tawang and East Kameng District. The flow of tourist from different state's of the country and from outside the country pass/ come through this route. As such the movement of heavy and light vehicle's are increases so the consumption /requirement of fuel i.e petrol and diesel will also increase. To meet up the requirement of fuel for consumer's the establishment of petrol pump is required which will immensely benefit to the vehicle user's. Hence, the proposal is recommended for consideration.
8. Compensatory Afforestation:
- Whether land for compensatory afforestation is suitable from plantation & management point of view. :- The degraded forest land identified for compensatory afforestation is suitable for plantation & management point of view (Map enclosed).
 - Whether land for compensatory afforestation is free from encroachment & other encumbrance. :- Land for CA is free from encroachment & other encumbrances.
 - Whether the land for compensatory afforestation is important from Religious or Archeological point of View. :- No
 - Map with details. :- Land identified for CA is in single patch
 - Financial outlay :- Rs. ~~167220.00~~ 4,44,000/-
9. i) Whether proposal involves violation of Forest Conservation Act-1980 or not. :- No.
- ii) If yes, detail report on violation including action taken against concerned official. :- Not applicable.

-3-

10. Whether the proposal involves rehabilitation of displaced persons. If yes, whether rehabilitation plan Has been prepared by the State Govt. or not. Details be furnished Specifically if rehabilitation plan would affect any other forest area by Trans-locating trees in and around the said forest. :- No, the proposal does not involve rehabilitation of displaced persons.
11. Reclamation plan: Details & Financial allocation :- Nil.
12. Details on catchment and Command area under the project. Catchments area treatment plan to prevent situation of reservoir. :- Not applicable.
13. Cost benefit ratio :- Enclosed
14. Recommendation of the Principal Chief Conservator of Forests/ State Govt. :-
15. Recommendation of the Regional Chief Conservator of Forests alongwith detailed reasons. :-
16. Regional Chief Conservator of Forests shall give detailed comments on whether there are any Alternative routes/alignment for locating the project on the non-Forest land.
