13. Specific recommendation of the DCF for acceptance or otherwise of the proposal with reason.

: Construction / establishment of Bharat Petroleum Corporation Ltd. (BPCL) Retail out let dealership (Petrol Pump) at Tippi is strategically important as proposed area is located along the Balipara - Charduar - Tawang (BCT) road it's a gateway of three important district i.e West Kameng, Tawang and East Kameng District. The flow of tourist from different state's of the country and from outside the country pass / come through this route. As such the movement of heavy and light vehicle's are bound to increase. And therefore the consumption / requirement of fuel i.e petrol and diesel will also increase. To meet up the requirement of fuel for consumer's the establishment of petrol pump is required which will immensely benefit to the vehicle user's. Hence, the proposal is recommended for consideration.
