

Full Title of the Project: Diversion of 10.9736 Ha. Forest land for construction of LILO of 400 kV Bamnauli - Jhatikara Transmission Line at Dwarka by Power Grid Corporation of India Ltd.

INSPECTION REPORT

The site for construction of LILO 400 kV Bamnauli - Jhatikara Transmission Line at Dwarka was inspected along with the Dy. Conservator of Forests (West) and the representatives of User Agency on 16.08.2020.

The proposed construction site is part of Deemed Forest area (in 16 patches) and has 4458 nos of trees. Out of these 1466 nos. of trees are proposed to be felled.

The User Agency has earmarked 10.98 Ha. (approx.) land in 04 patches; one at Shastri park near metro station and 03 at land adjoining NH-24 on Eastern Bank of River Yamuna for undertaking Compensatory Plantation. The site has been found to be suitable for undertaking Compensatory Plantation.

The said construction is site specific, involves minimum use of forest land and will strengthen the power supply for the NCT of Delhi.
