12	Thalale	Thirthalli	14	0.3	1149.718
13	Sacrebyle	Thirthalli	2	0.3	5861.659

I have inspected the Project site along with User Agency and my jurisdictional Range Forest Officer, Assistant Conservator of Forests on Dated:15.08.2022 and 23.08.2022 found the following.

This area comes in the Thirthalli Tq. of Shivamogga Dist of Karnataka State. It is approximately 14 kms and Sagar Tq. Shivamogga Dist of Karnataka State. It is approximately 105 kms away by road from Shivamogga District Head Quarters. This area falls well within the Shettihalli wild life sanctuary area notified vide Govt. Order NO. AFD 47 FWL 74 Dt 23th November 1974 and Sharavathi Lion Tiled Macaque

Sanctuary area notified Govt. order No. FEE 12 FWL 2019 Bangalore
Dt:07.06.2019.

laying of underground optical fiber cable passing through Bidaruru, Karumane, Mandavalli, Aravadhi, Muddane, Kanapagaru, Banukuli, Chennagonda, Thalale and Sacrebyle village, Sagar and thirthalli Tq. Shettihalli wildlife sanctuary for irrigation / Agriculture purpose do not involve any tree cutting activity but needs excavation work for a length of approximately to 1.1594 ha. adjoining along the road side.

This project is for laying of underground optical fiber cable purpose to a local resident. This area lies adjoining to the road passing in side Sanctuary connecting the internet and communication network in various field like Tourism, Educational etc. It also situated outer area of the sanctuary.

This project can not be taken up outside because the user agency laying of underground optical fiber cable works in that said land. As the proposed project area falls on the outer boundary of the Shettihalli wildlife sanctuary, and Sharavathi Lion Tiled Macaque Sanctuary the disturbance to the wildlife would be minimal, hence the proposed project may be approved.
