

RECOMMENDATION LETTER

Name of the project: laying of underground optical fiber cable passing through Bidaruru, Karumane, Mandavalli, Aravadhi, Muddane, Kanapagaru, Banukuli, Chennagonda, Thalale and Sacrebyle village, Sagar and thirthalli Tq. Shettihalli wildlife sanctuary for laying of underground optical fiber cable purpose.

User Agency: JIO DIGITAL FIBER PRIVATE LIMITED

This project is for the purpose of laying of underground optical fiber cable which involves laying of underground fiber cable along the road side drains with excavation work and no tree cutting activity. It is well within the district road width, no cable is passing through in wildlife sanctuary.

Hence I am of the opinion this may be approved.
