RECOMMENDATION REPORT

A proposal of two laning road with paved shoulder from Chintamani to AP border for diversion of forest land under Forest Conservation Act, 1980 to an extent of 16.8014 ha. has been recommended for acceptance as the proposal is unavoidable and the use of forest land is barest minimum required for the project to safe guard the ecology. Implementation of this project will improve the existing State Highway-85 to strengthen the existing transportation service, economic development, agricultural facilities and facilitate better connectivity in the region.
