

Inspection Report of the Divisional Forest Officer Kasaragod – Construction of Vellarikkaya colony Bridges

The proposal site of construction of Vellarikkaya colony bridge is situating Delampady Grama Panchayath. The bridge is to be construct across Pallanchi river in Bandadukka Reserve Forest using 0.0063Ha. I have inspected the site on 03.12.2019, for the construction of bridge as requested by the user agency it is seen that there is no need to cut and removal of trees.

After construction of this bridge it will use full 18 Nos of ST family including School students.

DIVISIONAL FOREST OFFICER
KASARAGOD
