

## PART - II

( To be filled by the concerned Deputy Conservator of Forests )

State Serial No. of Proposal :

|       |                                                                                                                                                                                                                       |                                                                                                                                                    |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| I.    | Location of the Project / Scheme.                                                                                                                                                                                     | Permission for laying natural gas (PNG) Pipeline parallel and crossing in forest land (area 0.4100 ha.) of Taluka Prantij, Talod, Dis-Sabarkantha. |
| i)    | State / Union Territory                                                                                                                                                                                               | : Gujarat State                                                                                                                                    |
| ii)   | District                                                                                                                                                                                                              | : Sabarkantha District                                                                                                                             |
| iii)  | Forest Division                                                                                                                                                                                                       | : Extension Division Sabarkantha ( North ) Himatnagar                                                                                              |
| iv)   | Area of forest land proposed for diversion ( in Ha. )                                                                                                                                                                 | : 0.4100 Ha.                                                                                                                                       |
| v)    | Legal status of Forest                                                                                                                                                                                                | : Protected Forest.                                                                                                                                |
| vi)   | Density of vegetation                                                                                                                                                                                                 | : Not much Road side Plantation.                                                                                                                   |
| vii)  | Species -wise ( Scientific names ) and diameter class wise enumeration of trees ( to be enclose. In case of irrigation / hydel projects enumeration at FRI, FRL-2 meter & FRL-4 meter also to be enclosed. )          | : NIL.                                                                                                                                             |
| viii) | Brief note on vulnerability of the forest area to erosion.                                                                                                                                                            | : Not Prone to erosion.                                                                                                                            |
| ix)   | Approximate distance of proposed site for diversion from boundary of forest.                                                                                                                                          | : 0.00 Kms.                                                                                                                                        |
| x)    | Whether forms part of National Park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc. if so, the details of the area and comments of the Chief Wildlife warden to be annexed ).          | : No.                                                                                                                                              |
| xi)   | Whether any rare / endangered / unique species of flora and fauna found in the area, if so details thereof.                                                                                                           | : Flaura Nil } Mainly road<br>Plantations } Side<br>Fauna Nil                                                                                      |
| xii)  | Whether any Protected archaeological / heritage site / defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.       | : None                                                                                                                                             |
| 2.    | Whether the requirement of forest land as proposed by the user agency in col.2 of Part -1 is unavoidable and barest minimum for the Project. If no, recommended area item wise with details of alternatives examined. | : Yes Minimum Recommended for 0.4100.Ha.                                                                                                           |
| 3.    | Whether any work in violation of the Act has                                                                                                                                                                          | : No.                                                                                                                                              |

|      |                                                                                                                                                                                                                   |                                                      |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
|      | been carried out ( Yes / NO. ) . If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.                                     |                                                      |
| 4.   | Details of compensatory afforestation scheme                                                                                                                                                                      | : Not Applicable                                     |
| i)   | Details of non forest area / degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.                                           | : Not Applicable                                     |
| ii)  | Map showing non forest / degraded forest area identified for compensatory afforestation and adjoining forest boundaries.                                                                                          | : Not Applicable                                     |
| iii) | Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.                                                                              | : Not Applicable                                     |
| iv)  | Total Financial outlay for compensatory afforestation scheme.                                                                                                                                                     | : Not Applicable                                     |
| v)   | Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. ( To be signed by the concerned Deputy Conservator of Forests. ) | : Not Applicable                                     |
| 5    | Site inspection report of the DCF ( To be enclosed ) especially highlighting facts asked in col. 7 ( xi, xii ) , 8 and 9 above.                                                                                   | Yes, Annexure - 17                                   |
| 6    | Division / District profile :                                                                                                                                                                                     |                                                      |
| i)   | Geographical area of the district.                                                                                                                                                                                | 7373.00 Sq.Km.                                       |
| ii)  | Forest area of the district.                                                                                                                                                                                      | 1270 Sq.Km.                                          |
| iii) | Total forest area diverted since 1980 with number of cases.                                                                                                                                                       | Cases : 83 of P.F. along Road side of S.F. Division. |
| iv)  | Total compensatory afforestation stipulated in the district / division since 1980 on<br>(o) forest land including penal compensatory afforestation,<br>(p) forest land.                                           | Nil<br>0.4100. Ha.                                   |
| v)   | Progress of compensatory afforestation as on date _____ on<br>(o) Forest land.<br>(p) Protected forest land.                                                                                                      | Forest Land - 0.4100.Ha.                             |
| 7    | Specific recommendations of the DCF for acceptance of otherwise of the proposal with reasons.                                                                                                                     | Recommended for permission.                          |
