

Field Inspection Notes of Forest Divisional Officer, Bellampally on diversion of 1.904 Ha. Forest Land in Bellampally division for 11 KV transmission line for the release of 1 No. 96 HP NDS load to Water Grid department for 24 Hrs water supply from existing Tandur MHQ feeder in Tandur Mandal – in favour of TSNPDCL.

I along with Forest Range Officer, Bellampally and concerned staff have inspected the area proposed for diversion for construction of 11 KV transmission line for the release of 1 No. 96 HP NDS load to Water Grid department for 24 Hrs water supply from existing Tandur MHQ feeder in Tandur Mandal – in favour of TSNPDCL on 07.09.2018. The proposed transmission line is passing through Compt.No.308, Madaram RF with a length of 2720.38 Mtrs and width of 7 Mtrs in Bellampally Range of Bellampally division.

The total area required for diversion in Bellampally division for construction of 11 KV transmission line is **1.904 Ha.**

In the proposed diversion area, no unique tree species, protected archaeological, Heritage site, defense establishment or any other important monument are found.

The area is having different types of vegetation, having 0.2 to 0.4 density.

The area proposed for diversion is barest minimum and unavoidable without alternatives for the project.

No work in violation of the Forest Conservation Act 1980 was carried out by the User Agency.

Forest Divisional Officer
Bellampally
