

Inspection note, Finding & Recommendation with reason.

The proposed site was inspected on 24.08.2021. The user agency, Divisional Forest Officer, Araria & his Subordinate staff were present and assisted during inspection. The factual details are stated below.

1. The proposal is for the construction of four lane with paved shoulder of Kishanganj-Bahadurganj section, design chainage from 0.000 Km to 22.7000 Km under Bharatmala Pariyojana, (Lot-7/Bihar/Package-1) in district Kishanganj.
2. This project involves diversion of 6.214 Hectares of roadside notified protected Forest land.
3. This project involves felling of 181 trees/plants and translocation of 964 species wise details of trees/plants enumeration list is attached in proposal.
4. There are no rare/endangered/unique species of flora & fauna found in the proposed forest land for diversion.
5. There is no Archeological site and defense establishment present in be proposed forest land for diversion.

On the basis of the recommendation of the Deputy Conservator of Forest & the inspection done by undersigned, the proposal may be accepted on the following reasons

1. In order to speedy and frequent movement of vehicle, the proposal is very essential as it will help the people of surroundings and passing through the road.
2. The density of the protected forest is 0 to 40%. The acceptance of the proposal, as it entails, provision of compensatory afforestation as it customary, may help to increase forest density & green cover.

Place :- Purnea
