

**Recommendation on the proposals under section 2 of the Forest (Conservation) Act 1980 for laying pipe line through Nellimalai Reserved Forest in Coimbatore Division for providing water supply to Thodamuthur Union in Coimbatore District.**

The project for water supply will benefit the people living in Thondamuthur Union which covers 7 Town Panchayats and 134 Rural Habitations as basic amenities. There is no alternative non-forest land is available for laying the proposed water supply line. Hence, based on the observations made by the District Forest Officer, Coimbatore Division and to provide water facilities to the people living the above town panchayats the project is recommended.
