

INSPECTION REPORT

The proposed site was inspected by me on 17.02.2022 along with the District Forest Officer Thanjavur. This project is proposed for formation of Road inside Nagavally RF for strengthening and improvement of major roads by the state Highways. This road formation ($820\text{m} \times 10.00\text{m} = 8200\text{m}^2$) or 0.82 ha inside Nagavally RF of Thanjavur Range, Thanjavur Division is designed to connect Thiruverambur to Grand Anicut (Kallanai Dam) which will be benefitted around 3000 numbers of local Village people which fulfills Hospital and Educational needs.

Hence I have recommended this project.
