**OFFICE OF DIVISIONAL FOREST OFFICER  
FOREST DIVISION MORENA (M.P.)**

**RECOMMENDATION**

Sikrawali to Dhowani road project has major importance for the people living in this area and it is a better connectivity from Morena to Gwalior in this Sikrawali to Dhowani region. It has minimum loss to the forest due to its linear nature (less than 0.4 density).

On this basis, I, Swaroop Dixit, Deputy Conservator of Forest, hereby recommend this proposal of diversion of proposed Protected Forest Area of 1.54 Hectare, for non-forest use by the Public Work Department Gwalior, for construction of the Sikrawali to Dhowani road project.

Place – Morena (M.P.)

Date – 24-4-2023

  
Divisional Forest Officer  
Forest Division Morena (M.P.)
