

**SITE INSPECTION REPORT**

The Site Inspection for the proposal for Diversion of Forest Land for laying of 132KV/DC Sankardev Nagar-Lumding Transmission Line in by Assam Electricity Grid Corporation Ltd., (AEGCL) in Langting Mupa Reserved Forest under Dima Hasao East Forest Division was carried out by the undersigned on 27.07.2022. During the inspection, it was found that the Forest Land required by the User Agency is 7.995 Ha. The proposed laying of 132KV/DC Sankardev Nagar-Lumding Transmission Line is selected on the open Reserve Forest where the density of the Forest is very minimal (0.1) and thereby minimum felling of trees and disturbance to the Wildlife will be minimal. The requirement of the Forest land is unavoidable and barest minimum for the Project. The area proposed for diversion does not form part of any Wildlife Sanctuary. The area has no importance from protected archaeological point of view and there is no heritage site/ defence establishment or any other important monument along the area proposed for Diversion.
