

SITE INSPECTION REPORT

A proposal has been received by this office from **Shri. S B Patel, Executive Engineer, PWD, Civil Division No. III (DP), DNH, Silvassa** (User Agency) for diversion (under FCA-1980) of **0.09** ha. of forest land for non forestry purpose. The subject envisages the use of forest land for **Construction of Causeway at Vansda Devipada to Navapada**. The site inspection of the land involved in the proposal has been done by me on dated 16/06/2016 along with the representatives of the User Agency and the Range Forest Officer, Southern Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest measuring 0.09 ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

The status of the land is Reserved Forest (Survey No: 71 & 142) of Vasda Beat of Southern Range of Dadra and Nagar Haveli. During the inspection, there was no endangered/endemic flora and fauna found in the forest proposed for diversion.

Also, the user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Hence, this proposal for diversion of 0.09 Ha forest land for the purpose of Construction of Causeway at Vansda Devipada to Navapada in Dadra and Nagar Haveli **is hereby recommended.**

Place : Silvassa.

Date : 17/08/2016.
