13.	Specific recommendation of the DCF for acceptance or otherwise of the proposal with reasons.	The project relates to development of infrastructure for Supply of Natural Gas through Gas Pipe line for 5 States including the state of Jharkhand. This Gas Pipe line project will enhance gas supply position in the State of Jharkhand. To compensate the loss caused due to diversion of forest land for this project, the user agency will have to bear the cost of preparation and implementation of wildlife and forest fire protection & mitigation management plan from the project cost.
