

SITE INSPECTION REPORT

A proposal has been received for diversion of 238 hectares forest land for non-forestry purpose under F.C Act, 1980. Verification of areas was done on 26th Jan/2021 alongwith DFO, Digboi and staff of Lekhapani Range and Jagun Range.

Paharpur area has no permanent households. The area has been mostly encroached by tea gardens and has shade trees for tea gardens.

Area proposed in Namphai Reserved Forest is degraded. Some encroachers illegally cultivate some portion of the area. The area has few trees. There are no permanent households.

Therefore, the permission for diversion of these forest areas for rehabilitation is recommended.
