Government of Jammu & Kashmir (UT)
OFFICE OF THE CONSERVATOR OF FORESTS
JAMMU WEST CIRCLE, RAJOURI

NO : CFW-R FCA/1968
Date : 26.07.2021

Name of Project: Construction of Main Approach Road from Tunnel T14P1 to Tunnel T14 Adit (USBRL Project)- recommendation- reg

Proposal No. : FP/JK/ROAD/144002/2021

The project named “Construction of Main Approach Road from Tunnel T14P1 to Tunnel T14 Adit (USBRL Project)” vide above proposal no. is recommended for approval under the Forest Conservation Act, 1980 in respect of Mahore Forest Division wherein 2.85 ha area of Forest is proposed under diversion. The proposed approach road is the only connecting link between Tunnel 14 and 15 which are being constructed for new railway line and the same is also an important part of disaster management plan. The approach road is part of the prestigious National Project i.e. Udhampur Srinagar Baramulla Rail Link Project USBRL Project which is a strategically a very important project and will provide railway connectivity to the far flung areas like Ind, Sangaldan, Sumber, Khari, Banihal etc of Ramban District besides other places of UT of Jammu and Kashmir.
