17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion, the adverse comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal pertains to construction of loop-out section of 132 kV D/C Mllep-Khliehirat line at Mynkre. The proposed area falls under Saipung RF and the area of diversion is 6.716 Ha. The project aims at improvement of transmission/distribution network in East Jaintia Hills District for better and uninterrupted power availability.
