

Inspection note.

The proposed site was inspected on 12-12-2019. The factual details regarding the Proposed site and consequent findings are stated below:-

1. The Proposed site for making a new drain from Donar gumti to Tinhi pul in district of Darbhanga was inspected by Dfo Mithila on 12-07-2019. The Proposed area is a part of protected Forest vides Government of Bihar Notification No-189E/190E dated 16-02-1994. The forest land required in order to establish outlet is 14.85 Ha. as per map attached with this Proposal.
2. The user agency was asked by Dfo Mithila to change the design/working for lessening the number of trees to be felled. 55 number of trees there by completely saved from felling. 17 trees would be translocated so the final figure of felling is 94 out of 166. There are no rare/endangered/unique species of flora & fauna found in the area. No archaeological site is present near the proposed outlet.
3. The user agency has not done any work on the site.

On the basis of the recommendation of the Deputy Conservator of Forests and the inspection made by me, I recommend for the acceptance of the proposal.
