

***Proposal for diversion of 4.5012 ha forest land (under Dumka Forest Division 4.5012 ha & Godda Forest Division Nil) Submitted by Electrical Executive Engineer, Transmission Division, Dumka for JUSNL Godda-Dumka 220 KV D/C Transmission Line.***

**Part-III**

(To be filled up by the concerned Conservator of Forests)

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/NO). If yes, the date of inspection & observations made in form of inspection note to be enclosed.

**No.**

15. Whether the concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.

**Yes.**

16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.

Since, the movement of wild elephants are frequent in Dumka Forest Division habitat mitigation measures are very important and at the sametime adequate safeguards regarding height of the transmission line is to be taken careof. Further the User Agency has to ensure that the Transmission line should not sag beyond critical level. With these conditions the above mentioned proposal of transmission line may be considered.
