

**Form-A (Part-IV)**

**Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks**

The project has potential to transform the socio-economic condition of the people living in the vicinity of the proposed project. Apart from generating electricity, it will provide water for irrigation to the most water starved Kandi region of the Union Territory of Jammu and Kashmir. The project site involves a small patch of state land with common plant species.

The proposal is recommended for acceptance under the Forest Conservation Act, 1980.
