| 1 | Whether site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes/No). If yes the date of inspection | Inspection not required.                                                                                                                                                                                                                                                                                                                             |
| 2 | Whether the concerned Chief Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.      | Yes. I agree                                                                                                                                                                                                                                                                                                                                         |
| 3 | Specific recommendations of concerned Chief Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.                        | The User Agency did not produce sufficient document as required by Deputy Conservator of Forests, Mysore. Moreover, there are sufficient roads leading to Chamundi hill. Hence, there is No need of laying ZIP line to Chamundi hills and this is detrimental to the environment and Bio-diversity of the area. Hence, the proposal may be rejected. |
