INSPECTION REPORT

The proposed alignment for construction of Six- lane access controlled in Delhi portion of Delhi Saharanpur Highway from Akshardham NH-9 junction to Delhi/UP Border in the state of Delhi by National Highway Authority of India was inspected along with the Dy. Conservator of Forests (Central) and the representatives of User Agency on 25.04.2022, Monday. The area proposed for diversion is part of Deemed Forest. The use of Forest area has been minimized by the User Agency. The proposal involves felling/ transplantation of 5104 nos. of trees.

In lieu of this proposed diversion, the User Agency has provided 12 Ha. Non Forest Land at Eco Park area in Badarpur for undertaking Compensatory Afforestation. The said parcel of land has also been inspected and found suitable for the purpose of Compensatory Afforestation.
