

## SITE INSPECTION REPORT

C/39

A proposal has been received by this office from Shri. Vipul Patel, Sr. Officer (ROU), Gujarat Gas Limited, Gandhinagar, Gujarat (User Agency) for diversion (under FCA-1980) of 0.0418 Ha. of Protected forest land for non-forestry purpose. The subject envisages the use of forest land for laying of 90 mm. Natural Gas Pipeline for M/s. Dodhia Synthetics at village Kharadpada in the Union Territory of Dadra and Nagar Haveli. The site inspection of the land involved in the proposal has been done by me on dated 28/12/2021 along with the representatives of the User Agency and the Range Forest Officer, Northern Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest land measuring 0.0418 ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

The status of the land is Protected Forest of Dadra and Nagar Haveli. The proposal passes through the Protected Forest all along the roadside. During the inspection, there was no endangered/endemic flora and fauna found in the forest proposed for diversion. There are no trees to be felled in the proposed road.

Also, the user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Hence, this proposal for diversion of laying of 90 mm. Steel Natural Gas Pipeline for M/s. Dodhia Synthetics at village Kharadpada in the Union Territory of Dadra and Nagar Haveli is hereby Recommended.

(S. Rajthilakh, IFS)

Deputy Conservator of Forests, Territorial  
Dadra and Nagar Haveli  
Silvassa

Place: Silvassa.
