Date : 27/01/2018

Name of the work : *Diversion of 0.415 Ha. of Forest land for Naganathkolla temple for sand stone paved pathway at Nagaral S B FS.No.70 of Badami taluk, Bagalkot district.*

### SITE INSPECTION REPORT

I have visited the project spot on **26-01-2018** and observed that the proposed area falls in the limits of Scrub and degraded forest. The project is under the Government of India National Heritage Development and Augmentation Yojana (HRIDAY). The project is development of **Naganathkolla road** is a subcomponent of Integrated development of Arterial Road, Transportation infrastructure, parking and signage DPR. The temple is historic link with chalukya empire significant historic and heritage value. The project is help to Historical, Recreational, Archaeological importance. And this project does not affect endangered species of flora and fauna and National Parks, wildlife sanctuary etc.

The above mentioned project will help in the use of locally available material and architectural vocabulary and conservation guidelines. The proposal benefits the tourism sector of Badami. The proposed project has been approved at the city level Advisory and monitoring committee (CLMAC) constituted under HRIDAY for implementation of the scheme and also by HRIDAY National Empowered committee (HNEC) at Ministry of Urban Development, Government of India. The provisions of the Forest (Conservation) Act-1980. The forest land utilized is barest minimum. The project is required for **Naganathkolla temple Road** for above importance. Hence, the proposal is recommended for approval.

  
Deputy Conservator of Forests,  
Bagalkot Division, Bagalkot.
