

## SITE INSPECTION REPORT

District Forest Officer, Cuddalore, inspected the proposed area in Thiruthuraiyur Reserve Forest of Cuddalore Forest Division on 07<sup>th</sup> Jan 2021 along with Cuddalore range field staff and staff from Rural Development Department. The proposed Thiruthuraiyur RF area is having degraded forest. The existing pathway has been utilised by village people to reach the burial ground. Rural Development department officials explained that the activities proposed for electricity connection and borewell are also necessary for burial ground. Right of Way is also admitted as per the Thiruthuraiyur RF notification. No tree felling is required for the project.
