

**Reccommendation of Divisional Forest officer, Kothamangalam for Edavetty
Nadayam Depot Road**

The proposal of Edavetty Nadayam Depot road through Reserved Forest is to provide transporting facilities to settlements and many families of Edavetty area in Thodupuzha Range of Kothamanglam Division. The total area required for this project is 0.456 Ha. The proposed road may not hamper the wildlife habitat of the Reserve Forest as it is proposed along the boundary of Reserve Forest. Hence this project is recommended for Forest Clearance.
