

**RECOMMENDATION OF THE DIVISIONAL FOREST OFFICER, NORTH
KAMRUP DIVISION, RANGIA**

Public Work Road Department, Assam (User Agency) has submitted a **Forest Diversion Proposal No.FP/AS/ROAD/154980/2022** for diversion of forest land under Forest Conservation Act.1980 measuring an area of 2.66 hectare for **Construction of Trumpet Interchange at Gauripur Junction, North Guwahati** at Sila Reserve Forest under North Kamrup Division, Rangia. The proposed diversion proposal will improve overall road connectivity of the region without causing major damage to the forest and environment provided mitigated measures are implemented by the user agency as per guideline. There is also a state protected site under the Ancient Monuments & Record Act, 1959 on the forest land proposed to be diverted for the project. The user agency may consider change in its trumpet design, if feasible, to preserve the site in its current state OR it may be shifted to a suitable location. The diversion of forest land which is the barest minimum required as above is recommended for acceptance.
