3	Legal status of the forest land (Protected forest, reserved forests, revenue forest lands or any other forest land)	Reserved Forest – Compartment No.- 276, 277, 246, 247, 249, 244, 245, Protected Forest – Compartment No.- P200, P259, P256, P255, P222, P223, P224, Proposed Area in Jhabua Division (57.64 Ha.)				
4	Demarcation of the area with temporary cairns etc.	Area is Demarcated.				
5	Any signs of encroachment.	Nil				

6	Any activity already taken up within the forest land or adjoining non forest land as part of the proposed project by the user agency. Details of action taken against the user agency in case of violation of the FC act and guidelines there under.	Nil
7	Status of vegetation, site quality, species composition etc.	The proposed area is in Reserved Forest – Compartment No.- - 276, 277, 246, 247, 249, 244, 245, Protected Forest – Compartment No.- P200, P259, P256, P255, P222, P223, P224, Fuel and fodder working circle- P222, P223, P259, P256, 277, R.D.F working circle – P200, 247,P255, 244, 249, 245, P224 Miscellaneous Working circle 276, has density 0.1 to 0.4 Site Quality V B with Teak, Mahua, Tendu, Palas, Dhawda, etc species. Total no. of Trees in proposed area are Teak 802 and Satkata 768 Total 1570
8	Importance of area from wildlife point of view, Status of wildlife (density and abundance of important species, bird life reptiles, butterflies and other scheduled animals any endangered wildlife).Any latest census of wildlife in this area.	No endangered scheduled wild animal as mentioned in Wild Life Protection Act 1972, is observed in proposed area. As par the wildlife census 2018, the following wildlife was found in the proposed area- jackal, Hyena, langur. Hare, Blue bull, Barking Deer, Monkey peafowl etc.
9	Endemism of flora/fauna or any other unique ecosystem in the area	Nil
10	Current land use. Is this area managed as per prescriptions in the working plan and if not, why?	The compartment are in following working circle Fuel and fodder working circle- P222, P223, P259, P256, 277, R.D.F working circle – P200, 247,P255, 244, 249, 245, P224 Miscellaneous Working circle 276,
11	Importance of the area from historical or religious point of view.	None
12	Any dependent persons/families on this land.	Nil
13	Any displacement of persons proposed.	Nil
14	Is there any Rehabilitation and resettlement Plan for the persons to be affected? Is there any dissenting voice among the persons proposed to be displaced?	Nil
15	Compensatory afforestation proposed is on forest land or non-forest land. Location of this area, suitability of the area for CA. if in the degraded forest land then what is the current working plan prescription for	The plantation in lieu of the diverted forest area is planned in Jhabua under improvement of forest area and double plantation in degraded forest land areas is proposed.

	the area? Distance of the non-forest land for CA from the nearest forest area. Number of patches in case the area should be more than 10 Kms.	
16	Proposal area should not be part of any protected area. Also distance from the boundary of the nearest protected area should be more than 10 Kms.	Proposed area is not a part of any Protected area and there is no Protected area with in 10 KM from the boundary of proposed area.
17	Dependence of tribals in the area. Whether the rights of the tribals have been recognized in this area.	Jhabua Collector's certificate for settlement of rights under FRA'2006 is under process
18	Utility of the project, including the people living in close vicinity of the project.	The proposed Dahod Indore New BG Railway Line Project has 57.64 ha. of degraded forest area falling under the BL2 category whose density is less than 0.4 and the Railway Line is passing through this forest. The Railway Line will help in faster the transportation of passengers and goods.
19	In case of renewal whether all the conditions stipulated in the earlier sanction order have been complied with.	N/A
20	Alternatives examined by the user agency in case of non-site specific projects.	Three Alternate routes have been examined and it is found that the proposed (Alternate-I) is shortest and appropriate for the project. Report and Map Attached
21	A certificate by the user agency that the forest land requested for diversion for non-forestry purpose is bare minimum.	Certificate Attached
22	Any scope of saving tree growth while ensuring that the purpose for which the forest land is being diverted is also not adversely affected.	Nil
23	Any other issue of significance.	Nil
24	Specific recommendations of the DFO with reason for approval of the project.	The proposed new proposed Dahod Indore New BG Railway Line has 57.64 ha. of degraded forest area falling under the BL2 category whose density is less than 0.4 and the INDORE- DAHOD new BG line project will trigger economy development and also facilitate direct link of special economic zone of Indore at Pithampur with ports, thereby reduce cost of transportation. It will also increase development of Dhar, Jhabua districts of MP & Dahod district of Gujrat goods. The proposal may please be accepted.
