

INSPECTION REPORT OF CHIEF CONSERVATOR OF FORESTS,  
SHIMOGA CIRCLE

KPTCL submitted the proposal seeking for the construction of the 110KV S/C line on the DC towers from the existing 110/11 KV sub station at Thogarsi to the proposed 110/11KV substation at Kuppagadde (Udri Sy no. 164, 103 and Gudaginakoppa Sy no. 40 in Udri SF) in Soraba taluk Shimoga District was inspected by me on 23.11.2019 along with the field staff of Shiralakoppa range.

The diversion of 6.0732 ha of Udri SF for the construction of the 110KV S/C line on the DC towers from the existing 110/11 KV sub station at Thogarsi to the proposed 110/11KV substation at Kuppagadde.

The project is found to be essential for the surrounding villagers to meet their fundamental needs.

The area sought by the User agency is unavoidable and barest minimum for the project.

Date: 27.11.2019

  
Chief Conservator of Forests,  
Shimoga Circle, Shimoga.
