 7. Online submission of PART-III on 30-12-2021 by the Chief Conservator of Forests, Ballari Circle r/w online reply dated 30-

- 1. Background:** The Government of India vide Ref (1) had accorded the final (Stage-II) approval for diversion of 221.80 ha of forest land for establishment of Wind power project in favour of M/s KREDL for sub lease to M/s Enercon (India) Ltd. On BOT basis in Chitradurga District, Karnataka subject to certain conditions. Accordingly, the Government of Karnataka vide Ref (2) had accorded sanction for the forest lease for the above project for a period of 15 years. The FC lease period ended on 19-06-2018. After the expiry of the Forest Clearance in 19-06-2018, a letter was written by the Deputy Conservator of Forests, Chitradurga Division to BESCOM on 04-01-2019 to hold back the amounts payable to the company.
- a. In this regard, User Agency has submitted two FC proposals on 06-07-2018 and 15-11-2019 respectively but they are found to be incomplete.
 - b. Further, Wind World (India) limited applied for renewal of FC lease on 09-01-2020 which was accepted by this office on 07-03-2020 and online link was transferred to the DCF Chitradurga Division on 22-05-2020 for field verification and further processing of the proposal.
 - c. Further, M/s Wind World (India) Ltd vide letter dated 05-06-2020 once again requested this office to issue directions to DCF Chitradurga to permit them to start the wind mills stating that if the wind mills are not worked for long time, the machines will get damaged. Further, they have submitted that revenue generated from existing wind mills are required for proper maintenance of these machines and hence they have requested us to inform the BESCOM to release the revenue.
 - d. Thereafter, permission was granted by the Principal Chief Conservator of Forests (Head of Forest Force) so that there is no disruption of power generation and to carry out minimum maintenance at the same time safeguarding the interest of the Government. The following order is issued on 24-07-2020 and 11-08-2020:-
 - Permit the User Agency to undertake the minimum maintenance of the windmills to keep them running, and
 - Inform, the BESCOM to withhold an amount of Rs. 370.00 lakh from the power revenue due to the User Agency till proper clearance under the Forest (Conservation) Act, 1980 is in place.
 - e. PCCF (HOFF) has written another letter to BESCOM on 07-11-2020 to withhold the amount of Rs. 370 lakhs and remaining balance amount if any may be released. Further, to retain 10 % of the amount payable towards power purchase from future bills and remaining 90 % to be released to the User Agency till FC lease is extended.

- f. It was noticed on 07-05-2022 that even after considerable lapse of time, the complete FC proposal has not reached this office for onward submission to Government of India, hence, PCCF (HOFF) directed CCF Ballari Circle to immediately suspend the operations till further orders and contact the BESCOM for withholding all further payments.
- g. An approximate amount of Rs. 6,87,14,917/- is withheld to take care of future penalties at the time of Stage-I approval for FC renewal.
- h. In this regard User Agency has approached the National Company Law tribunal Ahmedabad, Division Bench and filed IA/473(AHM)2022 in CP(IB) 14 of 2018 regarding suspension the operations of windmills. Accordingly, the National Company Law tribunal has directed this office to permit the operations of the wind turbines at Karnataka which were operated and maintained by Wind World (India) Limited.
- i. The Government of Karnataka has approached the Hon'ble High Court of Karnataka against the order passed on 06-07-2022 by the National Company Law tribunal Ahmedabad, Division Bench. In response, the Hon'ble High Court of Karnataka has passed an interim stay order on 18-11-2022 and stating that *"the Tribunal sets aside the order passed by the State Government and directs that the windmills shall be permitted to function pending resolution of the insolvency of the corporate debtor before it. Prima facie, I find that the order of the Tribunal being de hors jurisdiction to entertain the petition, which raises a challenge to the order passed by the State Government directing suspension of the operation of the windmill. Pendency of the proceedings against the respondent initiated before the Tribunal would not clothe such jurisdiction on the Tribunal, to pass such orders. Therefore, there shall be an interim order of stay of the order passed by the Tribunal and all further proceedings that are said to be taken thereto, by the respondent"*.

2. Additional Information on change of Name of the User Agency: The Government of India, Ministry of Corporate Affairs has certified that Enercon (India) Ltd, which was originally incorporated on Twenty second day of May two thousand three under the Companies Act, 1956 (No 1 of 1956) as Enercon (India) Ltd having duly passed the necessary resolution in terms of section 21 of the companies Act, 1956 read with Government of India, Department of Company affairs, New Delhi, Notification No GSR 507 € dated 24-06-1985 vide SRN B64732787 dated 01-01-2013 the name of the said company changed to Wind World (India) Limited.
