**The User Agency has furnished the following information in Part-I**

- Forest area to an extent of 3.09 ha. is required for providing BT to the road from NR Puram (Ananthagiri (M) of Visakhapatnam District) to Eguvakondaparthi of Vizianagaram District in f/o Executive Engineer, Panchayat Raj (PIU), Vizianagaram.
- The road work was sanctioned / approved by Ministry of Rural Development in PMGSY grant under Batch -I.
- Cost of the project is mentioned as ₹473.00 lakh.
- The user agency has justified that, the villagers of Eguvakondaparthi reach the Mandal head quarters Gantiyada with shortest path by providing this road. The existing road passes through Reserve Forest in various reaches in the road from 0/0 to 8/500. The buses and commercial vehicles are not plying on this road due to improper geometry and various streams crossing the road and people are facing problems to meet their needs of Education, Health and Transportation of Agriculture and forest produces etc. Hence, the road is proposed to upgrade to BT standard, so as to make the road traffic worthy.
- The user agency has certified that, there is no other alternative route than the proposed to avoid the forest area. The total forest area involved in the proposal is 3.09 ha. The opted route is the best one to meet the needs of Education, health and transportation of agricultural produce.
- The user agency has furnished undertakings for payment of NPV, Addl. NPV, CA, Tree extraction charges etc.
- Cost benefit analysis does not arise, as the area proposed for diversion is 3.09 ha.

- Legal Status of the forest is Veduruwada-II Reserve Forest notified U/s 15 of A.P. Forest Act, 1967.

- The proposed forest is Tropical Dry deciduous and Tropical Moist deciduous with crown density about 0.3.
- No trees are existing along the proposed road and along the width of 6 meters.
- No vulnerability of the forest area to erosion, as the area is having plain to gentle slope.
- The proposed road is passing in the midst of Veduruwada-II Reserve Forest.
- There are no rare/ endangered/unique species of fauna found in the proposed area.

- The user agency has not violated the provisions of Forest (Conservation) Act, 1980.
- The Location map in (S.I) Sheet in 1:50,000 scale, authenticated DGPS maps are furnished.

The Divisional Forest Officer, Vizianagaram Division has inspected the area proposed for diversion on 27.11.2019 and stated that, the total length of the proposed B.T. road is 8.50 Kms. from N.R. Puram to Eguvakondaparthi. Out of which 5.15 Kms. length is falling inside the RF. No trees are falling in the 6 meters width of the proposed road for the entire length of the road proposed in RF and outside RF. This formation of road is very much essential for the movement of all the departmental officers to implement the Government schemes and all activities to the Tribal community residing in the interior villages and to bring them into the main stream. Due to the existing Kutcha road the villagers are suffering a lot to bring their pregnant women to the Hospitals and still carrying the patients by "DHOLI" from hill top villages to the plain villages.

Accordingly, in column No. 13 of Part -II, the Divisional Forest Officer, Vizianagaram has "Recommended" the proposal.

In Part -III, the Conservator of Forests, Visakhapatnam has agreed with the information furnished by the Divisional Forest Officer, Vizianagaram and "Recommended" the proposal for diversion of forest land.

The District i.e., Vizianagaram in which the subject project falls, is LWE District as notified in Ministry of Home Affairs F.No.II-18015/68/2014-LWE-III, dt. 14.04.2018.

Further, as per the guidelines issued by MoEF, GoI New Delhi vide File no. Further, no tree felling is involved in the proposed length and width of the road, as the formation of BT road is on existing kutchha road.

In view of the above, the statutory proposal along with necessary enclosures in (2) sets, for diversion of 3.09 ha. of forest land in compt. no. 300, 301, 302 & 303 in Veduruwada -II RF, Vizianagaram for providing B.T. to the road from NR Puram (Ananthagiri (M) of Visakhapatnam District) to Eguvakondaparthi of Vizianagaram District in f/o Executive Engineer, Panchayat Raj (PIU), Vizianagaram duly recommended in Part-IV is submitted herewith, with a request to accord Stage-I clearance under Section-2 of Forest (Conservation) Act, 1980 under LWE districts general approval category.
