Vasantha, Dy.CF., FAC Forest Divisional Officer, Kamareddy on 22.09.2019 in Nagireddypet Range area proposed for diversion of **2.121 Ha.** of Forest land for construction of HLB across Manjeera River from Dharmareddy to Muddapur via Venkampally road PR Road in Kamareddy Division of Kamareddy District

On 22.09.2019 inspected the area proposed for diversion of **2.121 Ha.** of Forest land for construction of HLB across Manjeera River from Dharmareddy to Muddapur via Venkampally road PR Road in Kamareddy Division of Kamareddy District which is passing from reserve forest area in Kamareddy Division. The proposed area is passing through Compt. No. 695 of Tandur R.F Dharmareddy Beat of Nagireddypet Section of Nagireddypet Range. I have verified the proposed road area passing through Compt.No.695 and width of the road is 20 mtrs and length is 1060.60 Mts. The Forest Range Officer, Nagireddypet has enumerated the trees which are falling in Tandur R.F. (9) Trees in Compt. No.695. The major species are Sissoo (*Dalbergia sissoo*), Nemalinara (*Holoptelia integrifolia*), Tuniki (*Diospyros melanoxylon*), Palakodisha (*Wrightia tinctoria*), Moduga (*Butea monosperma*), Nidraganneru (*Samanea saman*), Pachathurayi (*Peltophorum pterocarpum*), Errathurayi (*Delonix regia*), Simmathagidu (*Cassia sammia*) etc., Further, there is an avenue plantation stretch of 4 kms before the initial entry point into RF and about 400 plants (1 km) raised during 2014-15 will be affected by this proposal. I have test checked the same and found to be correct. Density is 0.0 to 0.2.

Further it is submitted that I have searched for the other alternatives but there is no alternative land available except the present proposal. This is the barest minimum area i.e., required for construction of HLB across Manjeera River from Dharmareddy to Muddapur via Venkampally road PR Road in Kamareddy Division of Kamareddy District. No work is started on the date in violation of Forest Conservation Act. There are no encroachments and claims in the R.F area that attracts the RoFR Act, 2006. The area is free from encroachment. There are no claims pending in RoFR Act, 2006. There are no endangered species that are caused or harmed due to construction of HLB across Manjeera River from Dharmareddy to Muddapur via Venkampally Road PR Road in Kamareddy Division of Kamareddy District.
