

ANNEXURE -V

Site Inspection Report

Date of site inspection :- 01/07/2018

The possibility of threat to wildlife especially rare / endangered / unique species from NH-333 (Korwatola- Bamdah- Bishanpur- Jharkhand Border) from km 115.00 to km 141.050 project will be negligible because the user agency will work on the existing road which is declared as protected forest and there is no natural forest as well as protected areas near to the proposed site. There is no protected archeological heritage site / defense establishment or any other important monument located in the area. The land required for the project is unavoidable and barest minimum. Violation has been done by the user agency.

Total length of road 26.050 km. consider for widening is 26.050 km. which is under Jamui Forest Division. This road is declared as protected forest.
