

Site Inspection Report

Date of site inspection: - 06.02.2019

The possibility of threat to wildlife especially rare / endangered / unique species from Construction of RCC High level Bridge after 112 km Of NH-333 in jamui district under forest (conservation) Act-1980 project will be negligible because the user agency will work on the existing road which is declared as protected forest. There is no protected archeological heritage site / defense establishment or any other important monument located in the area. The land required for the project is unavoidable and barest minimum. Till date there is no work carried out which violates Forest conservation Act 1980.
