Division Name	Circle	Site Inspected By	Whether Site Inspected	No. Of times Site Visit	Site Inspection report
Palakkad	Eastern	DFO	Yes	Two <u>ONE</u>	<p>The forest land proposed for diversion forms part of Anthimahalakad Bit II (VFC item No 75) vested Forest. The proposed road is a 210 m long, 3 m wide (0.063 Ha area) and runs along the Northern boundary of the VF bit. The local neaby people have been using this path from time immemorial for their day to day travel and vehicle transportation. There are no trees or undergrowth along this road and hence no felling or clearing will happen due to diversion.</p>
