

Recommendation - Chief Conservator of Forests

The road along Vadakkumpadam – Thampuratti Parambu – Mandanchira was inspected with Range officer Pattikkad and his staffs, on 27/03/2019 . The proposed road is located at Vadakkumpadam- Thampuratti Parambu – Mandanchira in Peechi village, Thrissur district.

The road in its present form is fair-weather and would be extremely difficult to course through during the rainy season. It is important that this road is made all – weather friendly, so that the people inhabiting the location has easy access to the main road for availing educational , market and medical facilities.

The user agency has said that no tree will need to be felled for the said renovation. The proposal of user agency is therefore recommended on ground that it would aid our movement as well and also on the count that they have no alternate access to ^{to} get the main road.
