

**Site Inspection Report of Conservator of Forests**

**{Diversion of 0.898 hectare of forest land in Comp. No.3 Lamdeng Block, Langol RF for construction of Trevi Hospital by M/S Trevi Hospital, Meitei Langol, Imphal West}**

Inspected the proposed site for construction of Trevi Hospital for treatment and care of cancer patients by M/S Trevi Hospital, Meitei Langol, Imphal West in Comp. No.3, Lamdeng Block, Langol RF with the DFO, Central Forest Division on the 20<sup>th</sup> November 2021.

The site proposed for diversion has been declared as Government Khasland by the Order dt. 07.03.2017 of the Ld. Civil Judge, Senior Division, Imphal West passed in Execution Case No.7 of 2004 & Judicial Misc Case No.72 of 2017 as being covered by CS Dag No. 1194 & 1184 of Village No.91. However, as per the records of the Department, the proposed site is well within the Compartment No.3, Lamdeng Block, Langol Reserved Forest as declared by the Manipur State Darbar vide Resolution No.4 dated 2-11-1938. The litigation has come up as the reserved forest land has been recorded as revenue land after the notification of the reserved forest.

Few trees are found standing at the site as construction of the Hospital has already started. As noticed from the surrounding forests, forest type of the proposed site is Tropical Moist Deciduous Forests (Eco-class-I). Indian rock python, barking deer etc are reported from the area.

No protected, archeological/heritage site or defense establishment or important monuments has been reported. The site does not form part of any protected area. The nearest protected area, namely the Keibul Lamjao National Park is at an aerial distance of more than 40.00 Km from the proposed site. The proposed area is barest minimum.

As on the date of site inspection, the User Agency has started constructions in violation of the provisions of the FCA, 1980.
