

Site Inspection Report

I have inspected the proposed site on 12-06-2018 for diversion of 0.597 ha of forest land for Laying of Drinking Water Pipeline by Executive Engineer R.D.W.& S. Division, Ballari through Bukkasagara Reserve Forest of Daroji Sloth Bear Sanctuary, Kamalapura.

The Proposed area is located in Bukkasagara Reserve Forest (Notified vide Notification No.590 dated:20-12-1892) in Hospet Taluk, Bellary District, Karnataka.

The diversion area sought is also part of the Daroji Sloth Bear Sanctuary (Protected area vide Notification FEE 119 FWL 2008 dtd.03-10-2008).

Diversion of forest land over an extent of 0.597 ha is in 1990 meters length and 3 meters width are required for laying of pipeline for drinking water purpose. The proposed diversion area is Part of Bukkasagara RF in Sy.No.549,550, & 551 of Bukkasagara Village and 258 & 133 of Kanavithimmalapura village Hospet Taluk, Bellary District, which was notified u/s-16 of Madras Forest Act-1882 vide notification No.590 dated:20-12-1892 and also part of Daroji Sloth Bear Sanctuary vide Notification FEE 119 FWL2008 Dated :03.10.2008. Further, there is no tree to be felled in the proposed area.

Since, Hospet taluk is drought prone area facing severe shortage of drinking water, it is very much essential for the villagers to get water through in order to mitigate the shortage of drinking water problem. Therefore, it is very much necessary & essential for the people of Bukkasagara Village and Kanavithimmalapura villages.

Dated : 24.10.2019.
