

RECOMMENDATION OF THE DISTRICT FOREST OFFICER, MADURAI

**DIVERSION OF FOREST LAND IN KILUVAIMALAI RF OF MADURAI
RANGE, MADURAI DIVISION FOR LAYING OFC CABLE BY RELIANCE
JIO INFOCOMM LTD., SCO, MYLAPORE, CHENNAI**

An area of 0.033 hectares of forest land in Kiluvaimalai RF of Madurai range is proposed to be diverted for laying OFC cable by Reliance JIO Infocomm Ltd., SCO, Mylapore, Chennai. It involves excavation of earth of 0.3 m width and laying of OFC cable to a length of 1100 m at 1 metre depth all along the Saranthangi road on its berm and on the left side of the road from the junction of the Madurai- Natham NH. It is essential for the telecommunication facility expansion and does not involve felling of trees or other vegetation and is hence, recommended.-----
