

PART III
(To be filled by the concerned Conservator of Forests)

14. Whether site, where the forest land involved is located has been inspected by the concerned Conservator of Forests (Yes/No). If yes, the date of inspection and observation made in form of inspection note to be enclosed.

➤ Yes, the proposed site of Doboka RF was inspected by the undersigned on 22/09/2022 (Inspection report & photographs are enclosed).

15. Whether the concerned Conservator of Forests agree with the information given in Part-B and recommendations of Deputy Conservator of Forests.

➤ Yes agreed with the information given by the DFO, Nagaon South Division, Hojai. Rehabilitation plan for supposed to be displaced Forest Villagers & Tangiya village house hold required for the purpose which is yet to be submitted by the DFO, Nagaon South Division, Hojai along with the proposal.

16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with details reasons.

➤ The widening/upgradation of NH-29 from 2 lane to 4 lane passing through the Doboka RF is a project having National & Public interest. The project will improve overall scenario of the communication system through the Nation as well as North Eastern Region without causing major damages of the forest by adopting mitigation measures to be implemented by the User Agency to protect Forest and Environment as per guideline. The proposed diversion of 42.6 Ha. of Forest land is recommended with a suggestion to maintain suitable mitigation measures for the wildlife and its habitat (vegitation) as per existing Rules and Regulation in vogue.
