

## Site Inspection Report

Date of site inspection: - 07.09.2020

The possibility of threat to wildlife especially rare / endangered / unique species from Jamui To Sheikhpura NH And SH Road Side (CNG And PNG Pipe line project) From km 58.67773 Road. project will be negligible because the user agency will work on the existing road (58.67773 km), which is declared as protected forest. There is no protected archeological heritage site / defense establishment or any other important monument located in the area. The proposed area by the user agency for diversion is 58.67773 km while in field inspection, it was found to be 1.6347453 ha area of Protected Forest around. Aslo enumerated tree along the road need not be felled as user agency will work on far off from road alignment to avoid any felling. The same has been given in writing by the user agency. The land (1.6347453 ha) required for the project is unavoidable and barest minimum. Till date there is no work carried out which violates Forest conservation Act, 1980.

  
Divisional Forest Officer  
Jamui Forest Division, Jamui.
