

PART-II

(To be filled by the concerned Deputy Conservator of Forests)

State Serial No. of proposal.....

7. Location of the project/Scheme : Diversion of forest land 5336 sq.mtr. for construction of LILO sub-station at Tippi to draw power supply from Balipara – Khuppi – Kimi 132Kv single circuit transmission line & to meet the total load demand of whole Bhalukpong and Tippi area under Khellong Forest Division.
- i) State/Union Territory : Arunachal Pradesh
- ii) District : West Kameng District
- iii) Forest Division : Khellong Forest Division
- iv) Area of forest land proposed for Diversion(in hector) : 5336sqmtr.(0.5336 ha.)
- v) Legal status of Forests : Doimara Reserve Forest
- vi) Density of vegetation : below 0.40
- vii) Species-wise(scintific names) and diameter, class-wise enumeration of trees (to be enclosed)In case of irrigation/hydel projects enumeration at FRL. FRL-2 meter and FRL-4 meter and to be enclosed) : Enclosed with tree enumeration sheet at Annexure - III
- viii) Brief note on vulnerability of the forest area to erosion : The soil type found in the area is of sandy loam which is vulnerable to erosion control measure like retaining like retaining wall at the site is suggested.
- ix) Whether forms part of National Park, Wildlife sanctuary, Biosphere Reserve, tiger reserve, elephant Corridor etc.(If so, the details Of the area and comments of the Chief Wildlife Warden to be Annexed). : Doimara Reserve Forest.

- x) Approximate distance of proposed site for diversion from boundary of forests. : within Doimara Reserve Forest.
- xi) Whether any rare/endangered/ unique species of flora & fauna found in the area if so details thereof. : No rare/ endangered/ unique species of flora & fauna found in the area observed during the time of inspection. However a nil report is being enclosed as appendix – B.
- xii) Whether any protected archeological heritage site/defence establishment or any other importance monument is located in the area, If so, the details thereof with NOC from competent authority if required. : No, Appendix - C
8. Whether the requirement of forest land as proposed by the user agency in col-No2 of Part-I is unavoidable and barest minimum for the project If so, recommended area item-wise With details of alternative examined : The requirement of forest land as proposed by the user Agency in from No. I is for construction of LILO sub station to draw power supply from Balipara – Khuppi - Kimi 132 Kv single circuit transmission line. The proposed area is unavoidable & barest minimum for the project.
9. Whether any work in violation of the Act has been carried out (Yes/No), If Yes, details of the same including period of work done action taken on erring officials. Whether work in violation is still In progress. : NO
10. Details of Compensatory Afforestation.
- i) Details of Non-Forest Area/ degraded forest area identified for compensatory afforestation its distance from adjoining forests No.of patches sizes of each patch. : Map along with details enclosed.
- ii) Map showing non-forest/degraded Forest area identified for compensatory afforestation and adjoining Forest boundaries. : Enclosed

- iii) Detailed compensatory afforestation : Enclosed schemes including species to be planted, implementing agency, time schedule ,cost structure etc.
- iv) Total financial outlay for compensatory afforestation scheme. : Rs.24,59,000.00 as per estimate.
- v) Certificate from competent authority regarding suitability of area identified for compensatory afforestation and from management of view (to be signed by the Dy. Conservator of Forests . :- Certificate enclosed.
11. Site inspection report of the DCF(to be enclosed) especially highlighting facts asked in column-7 (xi,xii)8 &9 above. : Enclosed
12. Division/District profile
- i) Geographical area of the District : 7422sqkm.
- ii) Forest area of the district : RF=25527 ha. + ARF = 455ha.
= 25982 ha.(259.82)sqkm.
- iii) Total Forest area diverted since 1980 with No. of case : 407.8746 ha
18(eighteen) Nos.
- iv) Total compensatory afforestation stipulated in the district/division since 1980 on
- a) Forest land including panel, compensatory afforestation. : 208.8 ha. (CA raised)
- b) Non-Forest land : NIL
- v) Progress of Compensatory Afforestation as on date.....
- on
- a) Forest land : 208.8 ha.
- b) Non-forest land : Nil

13. Specific recommendation of the DCF for : Construction of LILO sub-station at acceptance or otherwise of the proposal Tippi may provide un-interrupted power supply to all down electrical consumers including the industries located at Tippi Industrial Estate. This would promote Commercial and developmental activities in Bhalukpong Circle of West Kameng District of Arunachal Pradesh. It can also generate employment opportunities for the local youths & can also become source of revenue to Govt.exchaquer.
