

Special Recommendation of DFO for Acceptance

Project:- Diversion of 4.82 ha of forest land for construction of oil & gas well drilling including approach road at location TULB of Mouja Silachari under DFO, Gomati

Forest area proposed for diversion under Gomati Forest District: 4.82 Ha.

The Proposal (State serial No. of Proposal No. FP/TR/MIN/145135/2021) for diversion of 4.82 ha of forest land for construction of oil & gas well drilling including approach road at location TULC of Mouja Silachari under DFO, Gomati is hereby recommended for approval on following conditions (Special conditions already mentioned in special recommendation of Project TULC Diversion proposal) :-

1. Possibility is that during making of approach road through forest area, many plantation areas will get destroy. Therefore user agency should take care during construction of approach road and if any disturbance happens to already mature bamboo plantation then user agency will pay/ plant and care some area which will be destroy.
2. TULB, TULC, TULD project proposal will effect biodiversity of this area, therefore proposal for establishment of Park library cum wood library with information signages should be developed in Ramchandra Para Eco-park, Karbook. For developing these facility User agency should deposit Rs.20.00 lakhs to account of SDFO, Karbook for further action.
3. Fencing of Project area is necessary therefore user agency should deposit fund for fencing of 3 KM chain link fencing around drilling site and destruction prone area.
4. Proposal for diversion has human population mostly dependent on Jhum cultivation therefore user agency should provide livelihood opportunities to local population.
5. Special care to be taken for wild animal during construction.

The proposal is here by **recommended** for consideration.
