

RECOMMENDATION

The project proponent has requested forest land for construction of vented dam to provide drinking water to pilgrims and villagers of Kollur. The area proposed is 0.352 ha. The DCF has inspected the site and submitted that the area requested for diversion is bare minimum and unavoidable; and recommended the project after realising NPV, CA and other levies. As the proposal is for drinking water purpose and requirement of area is bare minimum, the proposal may be considered.
