FORM - 'A'

Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities

PART - II

(To be filled by the concerned Deputy Conservator of Forests)

State Serial No. of proposal

7	Location of the Project / Scheme	:	
	i) State / Union Territory	:	Telangana
	ii) District	:	Jayashanker Bhupalpaly
	iii) Forest Division	:	MAHADEVPUR OF JAYASHANKER BHUPALPALLY DISTRICT
	iv) Area of forest land proposed for diversion (in Ha.)	:	5.00 Ha Remaning area is falling in Bhupalpally and Pedapally Divisions
	v) Legal status of forest	:	<p><u>Set-5</u> 0.617 Ha., Compartment No. 235 of Annaram Beat in Mahadevpur R.F, notified U/s.15 vide G.O. No.1230 „Dt 19-12-53</p> <p><u>Set-6</u> 0.701 Ha., Compartment No. 258,256 of Palgul and sandrupally Beat in Mahadevpur R.F, notified U/s.24 vide G.O. No. .270 „Dt. 29-07-1989</p> <p><u>Set-7</u> 0.678 Ha., Compartment No. 260 of palgul Beat in Mahadevpur R.F, notified U/s.15 vide G.O. No.1230,Dt. 19-12-53 .</p> <p><u>Set-8</u> 0.129 Ha., Compartment No 253,242. of Kaleshwer and Beerasagar Beat in Mahadevpur R.F, notified U/s15 vide G.O. No. .123 „Dt 19-12-053</p> <p><u>Set-9</u> 0.709 Ha., Compartment Nos 15, 9, 54. of Panmella pankenna Beat in Singaram R.F, notified U/s.15 vide G.O. No. 231 „Dt.30-01-1949</p> <p><u>Set-10</u> 0.629 Ha., Compartment No. 26,27, Sarvaipet Neelampally Beat in Singaram R.F, notified U/s.15 vide G.O. No. 231 „Dt 30-01-1949</p> <p><u>Set-11</u> 1.218 Ha., Compartment No. 96,120, 98, 112 Ethnaram, Sngampally and pegadapally Beat in Singaram R.F, notified U/s.15 vide G.O. No. 231 „Dt 30-01-1949</p> <p><u>Set-12</u> 0.319 Ha., Compartment No. 128 kankanor Beat in Singaram R.F, notified U/s.15 vide G.O. No. 231 „Dt 30-01-1949</p>
	vi) Density of vegetation	:	0.3-0.4
	vii) Species-wise (scientific names) and diameter class-wise enumeration of trees (to be enclosed). In case of irrigation / hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter	:	The species wise details and the enumeration details are enclosed.:

	also to be enclosed)		
	viii) Brief note on vulnerability of the forest area to erosion	:	The proposed area for diversion is linear i.e. for laying of under ground pipe line, and construction of structures. The area proposed for diversion is mostly passing along the road side in R.F. The terrain is plain to undulating, which is slightly vulnerable to erosion.
	ix) Approximate distance of proposed site for diversion from boundary of forest.	:	The approximate distance of the proposed forest area for diversion is 500.Mts to 1 K.Ms and at most of the places along the inside part of R.F. boundary along the road side.
	x) Whether forms part of National Park, Wildlife Sanctuary, Biosphere reserve, Tiger reserve, Elephant Corridor etc., (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed).	:	No. The said proposed area for diversion is falling in Eco-sensitive zone of Pranahita Wildlife Sanctuary
	xi) Whether any rare / endangered / unique species of flora and fauna found in the area – if so details thereof.	:	No rare / endangered / unique species of flora and fauna are found in the forest area proposed for diversion.
	xii) Whether any protected Archaeological / Heritage site / defense establishment or any other important monument is located in the area – If so, details thereof with NOC from competent authority.	:	There are no protected Archaeological / Heritage site / defense establishment or any other important monument in the forest area proposed for diversion.
8	Whether the requirement of forest land as proposed by the user agency in col.2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternatives examined	:	Yes. The requirement of forest land as proposed by the user agency in col.2 of Part-I is noticed unavoidable and barest minimum for the project. During field inspection it is further noticed that, the area proposed for diversion. Hence the area for diversion as per field verification is 5.00 Ha.

9	Whether any work in violation of the Act has been carried out (Yes / No). If Yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	:	No.
10	Details of compensatory Afforestation scheme	:	As per the Principal C.C.F T.S Hyd Rc.No 6558/2016 dt. 26-04-2016 the C.A land is identified in Chandampet mandal of Nalgonda district.
	a) Details of non – forest area / degraded forest area identified for compensatory Afforestation, its distance from adjoining forest, number of patches, size of each patch	:	Pertains to the Divisional Forest Officer, WLM Division Nagarjuna Sagar
	b) Map showing non – forest / degraded forest area identified for compensatory Afforestation and adjoining forest boundaries	:	. Pertains to the Divisional Forest Officer, WLM Division Nagarjuna Sagar
	c) Detailed compensatory Afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc	:	Pertains to the Divisional Forest Officer, WLM Division Nagarjuna Sagar
	d) Total financial outlay for compensatory Afforestation scheme	:	. Pertains to the Divisional Forest Officer, WLM Division Nagarjuna Sagar
	e) Certificates from competent authority regarding suitability of area identified for compensatory Afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	:	. Pertains to the Divisional Forest Officer, WLM Division Nagarjuna Sagar
11	Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in Co.7 (xi, xii) 8 and 9 above	:	The site inspection report of the FDO Mahadevpur is enclosed.
12	Division / District Profile		Jayashaknar District
	i) Geographical area of the District	:	
	ii) Forest area of the District	:	346912 Ha
	iii) Total forest area diverted since 1980 with number of cases	:	244.894. Ha. /4 cases
	iv) Total compensatory Afforestation stipulated in the District / Division since 1980 on		
	a) Forest land including penal compensatory Afforestation	:	Nil I

	b) Non-Forest land		
	v) Progress of compensatory afforestation as on (date) -11-2016.		
	a) Forest land	:	51. Ha.
	b) Non-Forest land	:	
13	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons	:	<p>The diversion of forest land is proposed for providing and laying of under ground pipeline for providing safe drinking water in Mahadevpur . The proposed area for diversion is linear i.e. for laying of under ground pipe line The area proposed for diversion is mostly passing along the road side in R.F. as per field verification the area comes to 5.00 Ha. The work of laying pipeline is underground and linear for creation of critical public utility infrastructure for providing the safe drinking water in the Left Wing extremism affected district. Hence it is recommended for diversion of 5.00 Ha. of forest land in Compt. Nos. and Beats as listed at Sl. No. 7 (v) above for laying of under ground pipeline for providing safe drinking water Subject to the fulfillment of the following conditions a Mitigation action plan is prepared by the this division for which the following activities are proposed.</p> <ol style="list-style-type: none"> 1 There will be sign boards at regular intervals of 1 km to caution the vehicles of the wildlife movement. It will also help in sensitizing the public about wildlife, environment and nature. (Size 8 Feet x 4 Feet) 2 Drilling of bore wells and installation of solar pumps to be taken up. The water pumped out can be fed into check dams and storage ponds 3 Construction of Supervision cum protection hut for the watchers 4 Construction of one Environment Education Centre at a suitable location which can be developed as a visitors spot for creating awareness among visitors can be taken up. 5 Engaging of fire protection watchers and fire tracing on both sides of the road to a width of 10 to 20 mts. and for engaging fire watchers for five months from January to May for a period of five years. 6 Administrative Cost <p>Detailed Estimate is enclosed in proposals Note:- As per the approved project general abstract under the head forest permission Rs.1520Lakhs is allotted.</p>

FORM - 'A'

Form for seeking prior approval under section 2 of the proposals by the State Governments and other Authorities

PART - II

(To be filled by the concerned Deputy Conservator of Forests)

State Serial No. of proposal

7	Location of the Project / Scheme		
	i) State / Union Territory	:	Telangana
	ii) District	:	Jayashankar
	iii) Forest Division	:	Bhupalpally Division
	iv) Area of forest land proposed for diversion (in Ha.)	:	1.245 Ha.
	v) Legal status of forest	:	<p>Set-3 – 0.976 Ha., Compartment No. 299 & 296 of Mallaram and Vallamkunta Beat in Tadicharla R.F, notified U/s. 15 vide G.O. No.1744,,Dt. 24-12-1954</p> <p>Set-13 – 0.269 Ha., Compartment No. 150/1 of Khammampally Beat in Singaram (S) R.F, notified U/s. 15 vide G.O. No.,231,Dt. 30-01- 1949</p>
	vi) Density of vegetation	:	
	vii) Species-wise (scientific names) and diameter class-wise enumeration of trees (to be enclosed). In case of irrigation / hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed)	:	The species wise details and the enumeration details are enclosed.:

	viii) Brief note on vulnerability of the forest area to erosion	:	The proposed area for diversion is linear i.e. for laying of underground pipe line. The area proposed for diversion is mostly passing along the road side in R.F. The terrain is plain to undulating, which is slightly vulnerable to erosion.
	ix) Approximate distance of proposed site for diversion from boundary of forest.	:	The approximate distance of the proposed forest area for diversion is 1.0 K.Ms to 6.5 K.Ms and at most of the places along the inside part of R.F. boundary along the road side.
	x) Whether forms part of National Park, Wildlife Sanctuary, Biosphere reserve, Tiger reserve, Elephant Corridor etc., (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed).	:	Yes. The said proposed area for diversion is a part of Eco Sensitive Zone of Eturunagaram Sanctuary.
	xi) Whether any rare / endangered / unique species of flora and fauna found in the area – if so details thereof.	:	No rare / endangered / unique species of flora and fauna are found in the forest area proposed for diversion.
	xii) Whether any protected Archaeological / Heritage site / defense establishment or any other important monument is located in the area – If so, details thereof with NOC from competent authority.	:	There are no protected Archaeological / Heritage site / defense establishment or any other important monument in the forest area proposed for diversion.
8	Whether the requirement of forest land as proposed by the user agency in col.2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternatives examined	:	Yes. The requirement of forest land as proposed by the user agency in col.2 of Part-I is noticed unavoidable and barest minimum for the project. During field inspection it is further noticed that, the area proposed for diversion. Hence the area for diversion as per field verification is 1.245 Ha.

9	Whether any work in violation of the Act has been carried out (Yes / No). If Yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	:	No.
10	Details of compensatory Afforestation scheme	:	The proposed forest area for diversion is in Jayashankar District which is identified as one of the Left Wing extremism affected Districts. As per the MoEF Government of India Guidelines in F.No. 11-9/98-FC, dt. 13-05-2013 the compensatory Afforestation is applicable as the area proposed for diversion is more than 5 Ha. (Including other Divisions). The proposal is made for creation of critical public utility infrastructure for providing the safe drinking water by Government Department in the Left Wing extremism affected district.
	a) Details of non – forest area / degraded forest area identified for compensatory Afforestation, its distance from adjoining forest, number of patches, size of each patch	:	Not Applicable.
	b) Map showing non – forest / degraded forest area identified for compensatory Afforestation and adjoining forest boundaries	:	Not Applicable.
	c) Detailed compensatory Afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc	:	Not Applicable.
	d) Total financial outlay for compensatory Afforestation scheme	:	Not Applicable.
	e) Certificates from competent authority regarding suitability of area identified for compensatory Afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	:	Not Applicable.
11	Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in Co.7 (xi, xii) 8 and 9 above	:	The site inspection report of the FDO Bhupalpally is enclosed.
12	Division / District Profile		
	i) Geographical area of the District	:	7,15,278 Ha.,

	ii) Forest area of the District	:	4,73,488 Ha.,
	iii) Total forest area diverted since 1980 with number of cases	:	1449.464 Ha. /18 cases
	iv) <i>Total compensatory Afforestation stipulated in the District / Division since 1980 on</i>		
	a) Forest land including penal compensatory Afforestation	:	490.715 Ha.
	b) Non-Forest land	:	255.466 Ha.
	v) Progress of compensatory afforestation as on (date) 13-05-2016.		
	a) Forest land	:	489.035 Ha.
	b) Non-Forest land	:	26.91 Ha.
13	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons	:	<p>The diversion of forest land is proposed for providing and laying of under ground pipeline for providing safe drinking water in Manthani Assembly Constituencie. The proposed area for diversion is linear i.e. for laying of under ground pipe line The area proposed for diversion is mostly passing along the road side in R.F. as per field verification the area comes to 1.245 Ha. The work of laying pipeline is underground and linear for creation of critical public utility infrastructure for providing the safe drinking water in the Left Wing extremism affected district.</p> <p>Hence it is recommended for diversion of 1.245 Ha. of forest land in Compt. Nos. and Beats as listed at Sl. No. 7 (v) above for laying of under ground pipeline for providing safe drinking water Subject to the fulfillment of the following conditions a degraded area will be taken for taking up to rejuvenation of the forest & improving this area for which the following activities are proposed.</p> <ol style="list-style-type: none"> 1) Construction of a supervisory hut is to be takenup in Bhupalpally range to ensure the protection of forests for an amount Rs 15.00Lackhs 2) Engaging of protection watchers for 5 Nos for a period of 5 years for better protection of forests 3) Errection of publicity cum awareness boards 30 Nos to be done to sensitize the public

		<p>The detailed estimates are attached. The execution of the work will be done by forest department by raising of demand notice for the total amount.</p> <p>Note:- As per the approved project general abstract under the head forest permission Rs.1520Lakhs is allotted. .</p>
