

Inspection notes of Sri G.Lakshman, S.F.S., Divisional Forest Officer, Vizianagaram on the road proposals received from the user agency i.e., Executive Engineer, Panchayat Raj, (P.I.U) Vizianagaram for providing B.T. road from N.R. Puram (Ananthagiri mandal of Visakhapatnam District) to Yeguvakondaparthi of Vizianagaram District, S.Kota section, Vizianagaram Range on 27.11.2019.

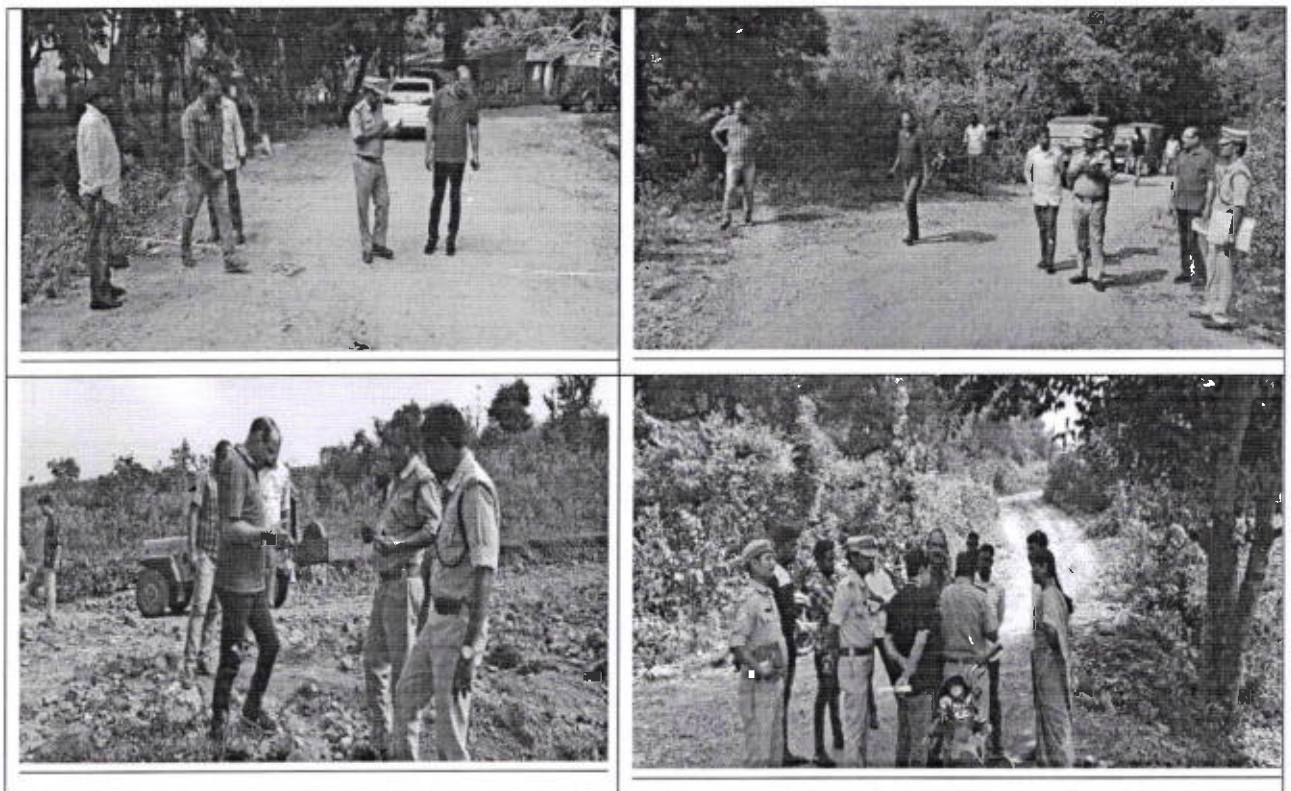

-oOo-

Inspected the proposed road from N.R. Puram (Ananthagiri mandal of Visakhapatnam District) to Yeguvakondaparthi of Vizianagaram District on 27.11.2019 accompanied by the Dy. Executive Engineer, Gajapathinagaram, Assistant Executive Engineer, Gantyada along with Forest Range Officer, Vizianagaram (i/c) and the concerned staff. The proposed road is starting from N.R. Puram village (Ananthagiri mandal of Visakhapatnam District) to Yeguvakondaparthi village of Vizianagaram District. The total length of the proposed B.T. road is 8.50 kms from N.R. Puram (Ananthagiri mandal of Visakhapatnam District) to Yeguvakondaparthi of Vizianagaram District, out of which 5.15 kms length is falling inside the R.F., passing through Compartment Nos.300, 301, 302 & 303 in Veduwada-II R.F., The proposed road width is 6.00 meters including shoulders width 1.50 meters. The total Forest area to be diverted is 3.09 hectares. The proposed road was also surveyed by the D.G.P.S., and authenticated by the G.I.S. wing, O/o Prl. Chief Conservator of Forests, A.P., Guntur in Rc.No.EFS02-15034/41/2019-FCA-SEC-PCCF/FCA-3(i), dt: 29.03.2019. The starting G.P.S. readings at L1 : N 18.26137, E 83.13828 and R1 N 18.26141, E 83.13830 and ends at L20 N 18.24615 and E 83.15444 and R20 : 18.24619 N 83.15440. I have also checked the intermediate G.P.S. coordinates with reference to D.G.P.S. survey and found tallied.

During the inspection I found no trees are falling on the 6 meters width of the proposed road for the entire length of the road proposed in Reserved Forest and outside Reserved Forest. The crown density on the proposed width of the road is 0.3. During the course of inspection the villagers of N.R.Puram, Itikivalasa, Guthapugulli, Kothavalasa, Budimamidivalasa, Pedduru, Boddavalasa, Godugumamidivalasa, Diguvakotaparthi, Pedakonela, Naiduvalasa, Dangenavalasa, Raipadu, Chimidivalasa, Bongija, Yeguvakondaparthi, Pedapadu, Rain-garuvu, Chinakonela and Burugu have approached and requested for this formation of B.T. road for their day to day movement

to hospitals, mobility for their children to schools and for marketing their Agricultural products near Kasipatnam village. This formation of road is very much essential for the movement of all the Departmental officers to implement the Government schemes and all activities to the Tribal community residing in the interior villages and to bring them into the main stream. Due to the existing Katcha road the villagers are suffering a lot to bring their pregnant women to the Hospitals and still carrying the patients by "DHOLI" from hill top villages to the plain villages.

There is no violation of work taken place and the required Forest area is unavoidable and no endangered and unique species of Flora and Fauna found in the proposed area and no protected / Archeological Heritage importance in this locality.

The District Collector, Vizianagaram has furnished the certificate (Annexure-I) Form-I regarding the completion of process for identification and settlement of Rights under F.R.A. for this improvement of road proposal and also stated that this proposal does not involve Recognized Right of Primitive Tribal Groups and Pre-Agricultural Communities.

Date : 27.11.2019,  
Station: Vizianagaram.
